LAMPSHADES

Art embellishments for your lamps & lights
riandersondesigns.com

Our luxurious lampshades come from intricately interwoven high resolution photographs and scans of cities, florals, animals, hairstyles and more. Printed on the highest quality giclée textile materials available, Belgian Linen and Cotton/Poly Sateen.

Two shapes available: Drum & Cone
Drums available in 4 sizes
Cones in 1 standard size

Order from our collection or contact us to CUSTOM DESIGN a pattern for you. We are happy to alter hue, tone, scale on any of our designs. And, we can work with you to design something special based on your or your clients' needs.

For home, office, gifts!

We are happy to alter scale, color, hue and/or saturation of any of the designs in our collection.

And...

We make commissioned designs just for you.

....You tell us your desired color scheme - type of imagery - design theme - and anything else....

AND WE BRING YOUR VISION TO LIFE!

If you can imagine it, we can make it happen!

For more information please contact us.
